SNOWFRONT

FreeSkier, mountaineer & LordOfSnowFront

Max „MGM“ Georg Meissner is not just an ambitious **FreeSkier** pushing his level and style, regardless of whether it is **FreeRide**, **BackCountryKicker** or **mountaineering**, but also a professional **VJ**, **videographer** and still **photographer**.

He creates all the print- and WebDesigns for his own **SnowBoard & FreeSki-Team** named **SnowFront**.

The dudes never shy away from initiating and organizing their own **photo and video shootings** and shaping for the perfect shot, at day or night. Having a lot of interests, **FreeSkiing** and **mountaineering** is still his MGM's biggest **passion**. As a versatile rider he achieves **progress** and has a plenty of **joy** every time he shreds out there in our beloved snow-covered slopes.

MGM started the initiative called **KEEP YOUR MOUNTAINS CLEAN**.
